

# Personal Space Is Good

Personal

Space

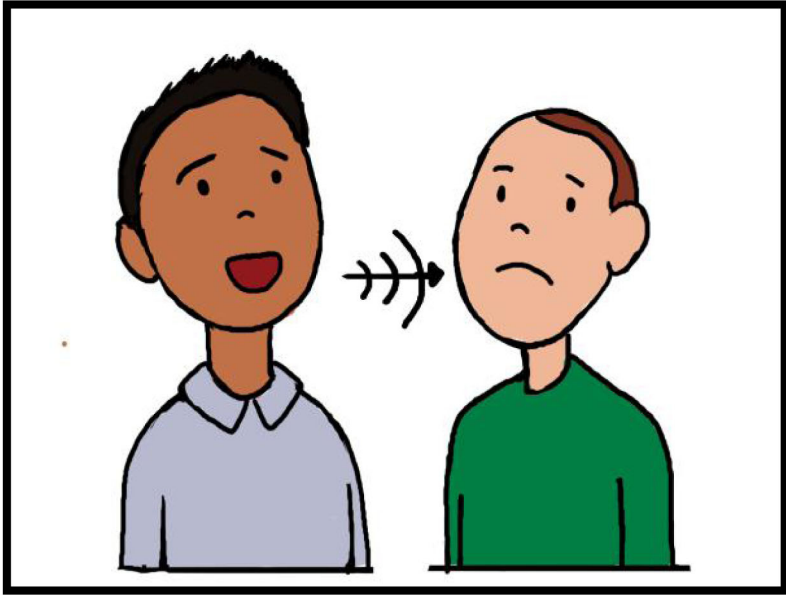

Is

Good.

When I am talking, sometimes I stand too close.

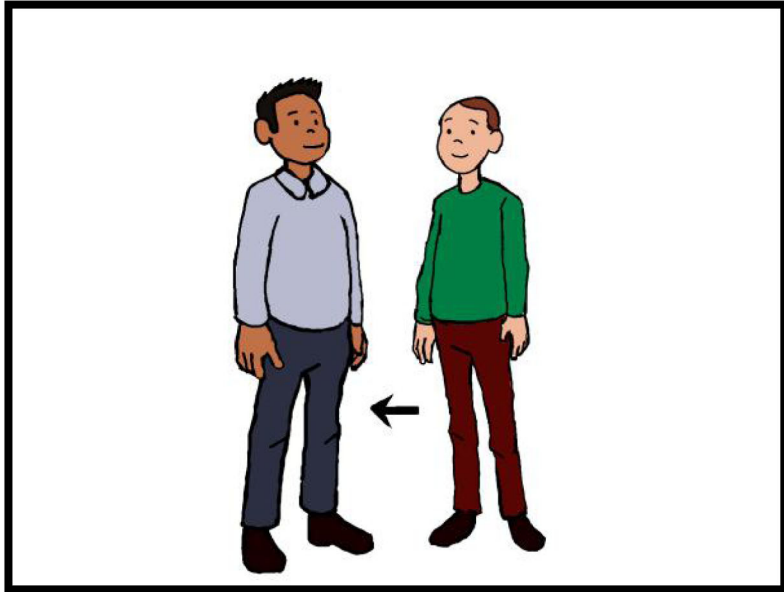

When I am talking, sometimes

I stand too close.

I need to step backwards and leave some space.

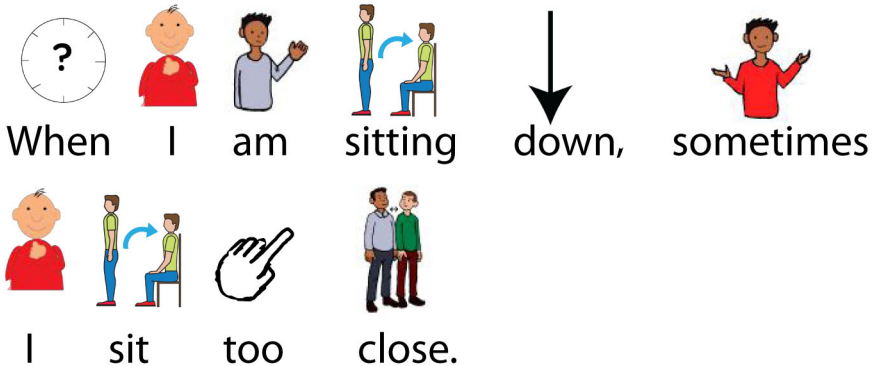

I need to step backwards

&

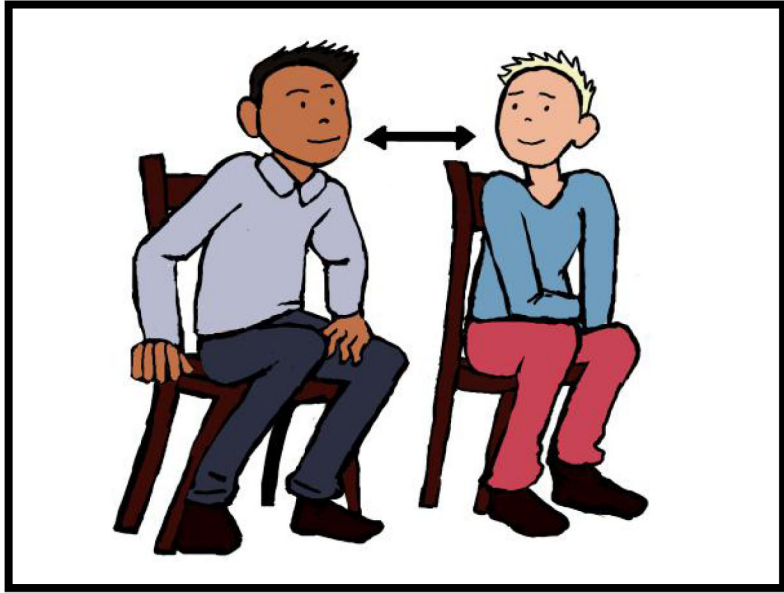

and leave some space.

When I am sitting down, sometimes I sit too close.

I need to shift and leave some space.

I

need

to

shift

and

leave

some

space.

When I am standing in line, sometimes I stand too close.

When

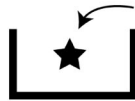

I

am

standing

in

line,

sometimes

I

stand

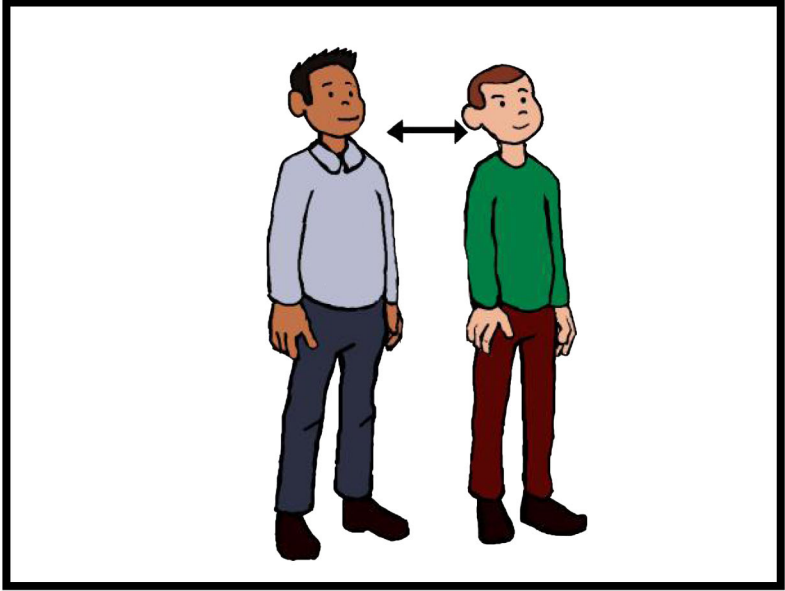

too

close.

I need to step backwards and leave some space.

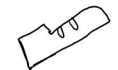

I

need

to

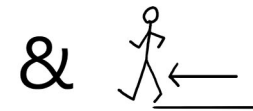

step

backwards

&

and

leave

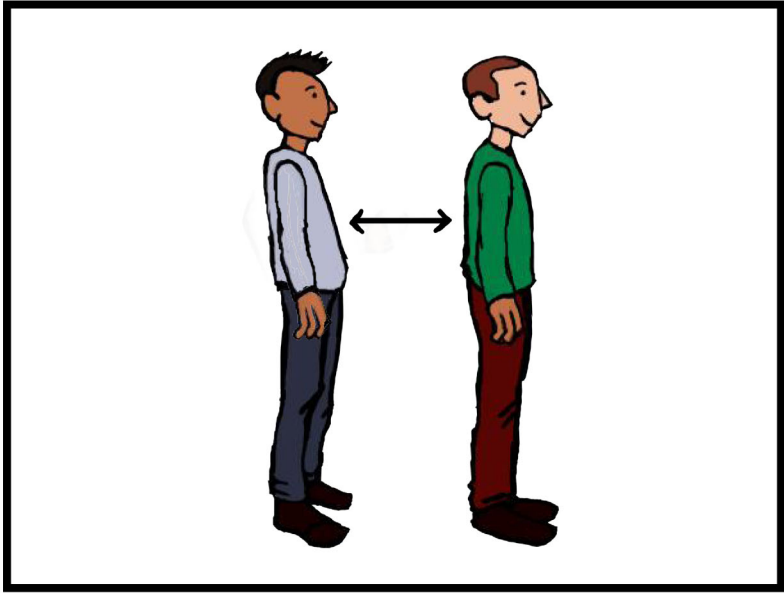

some

space.

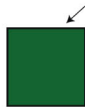

People like it when there is space.

People

like

it

when

there

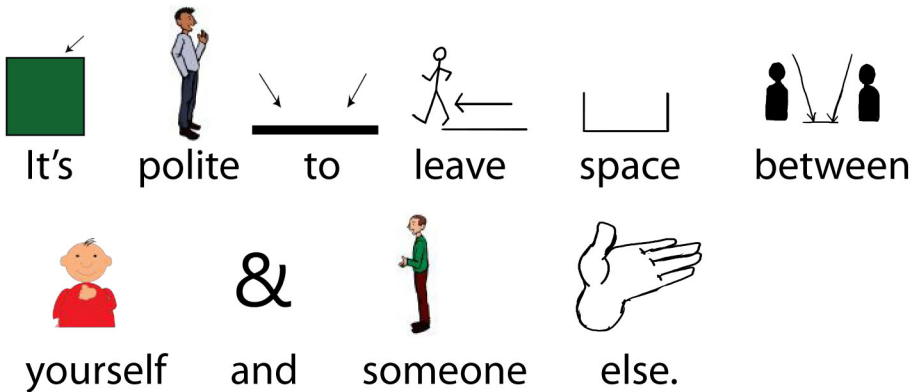

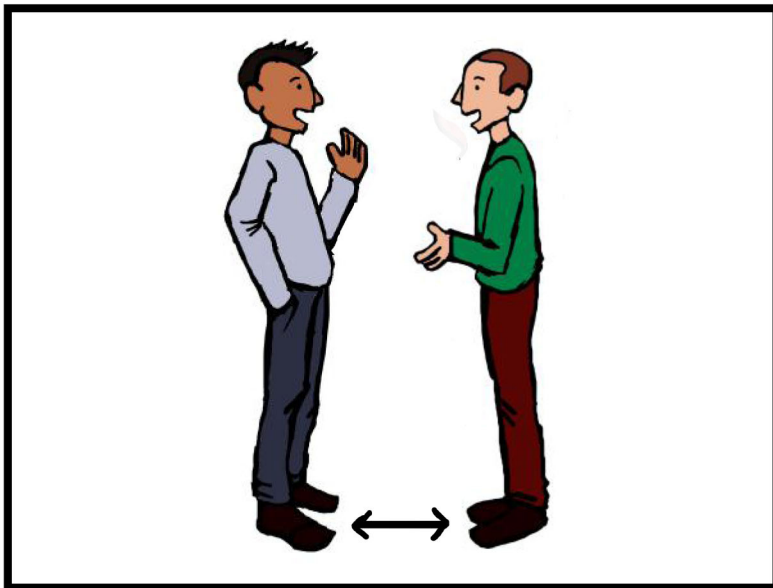

is

space.

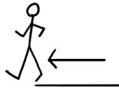

It's polite to leave space between yourself and someone else.

I leave an arm's space between people.

I

leave

an

arm's

space

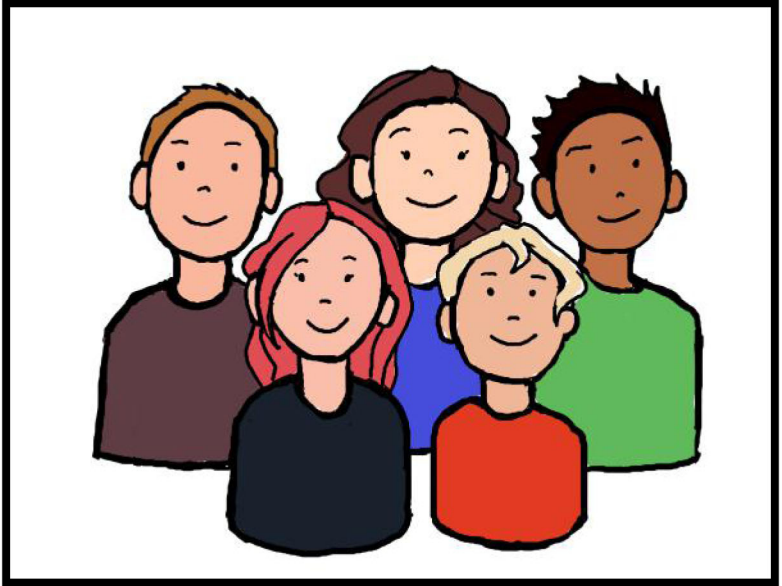

between

people.

People are happy when I respect their personal space.

People

are

happy

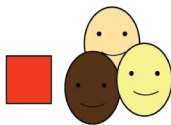

when

I

respect

their

personal

space.
